Louis Bonnet, Esq.,
6 West 107th Street,
New York.

Dear Sir:-

Our President, Mr. Edward T. Howell, learned through Mr. Bartlett early this year of your suggestion that you would be willing to present for our exhibition machines used by you for the cutting of cameos. He expressed to Mr. Bartlett his appreciation of this offer telling him that he thought it would be exceedingly helpful to have such material for our exhibition.

Through Mr. John Flanagan I learned last week that these machines are now ready and that we might send for them. Kindly inform me as to when it would be most convenient for you to have our messenger call for them, and whether they could be easily carried or would require expressing. On receipt of your reply I will make arrangements in accordance therewith.

Very respectfully yours,

Secretary.
